

JOB OPPORTUNITY

Position: Medical Manager Rheumatology

¿WHY WORK WITH US?

With a shared mission to discover new ways to improve and extend people's lives, our team of 120,000 global employees and our diverse portfolio of innovative medicines, eye care devices and cost-saving pharmaceuticals, we are addressing some of society's most challenging healthcare issues. With our legacy deeply rooted in our Swiss heritage and with our eye on the future, our industry leading pipeline, together with our continued investment in R&D and our high performing, diverse and passionate employees, we aim to be a trusted leader in changing the practice of medicine.

We are Novartis, and we are reimagining medicine.

As a global healthcare leader, we have one of the most exciting product pipelines in the industry today brought to life by diverse, talented, performance-driven people. This makes us one of the most rewarding employers in our field.

Recently established in Mexico, the Novartis Global Service Centre delivers a broad variety of services including scientific and commercial services (known as Product Lifecycle Services), Financial Reporting and Accounting Operations, IT, HR Operations and Procurement to the Novartis divisions and organizations worldwide.

We're growing rapidly and are looking for passionate, experienced high-calibre candidates to join our international team.

The NGSC Mexico is located in the biggest city in the country. The site is located 15 minutes away from Coyoacan, one of the oldest neighborhoods in Mexico, dating back to the XVI century, which has evolved into a cultural spot that gathers Mexican traditional and gourmet cuisine, arts and crafts, and history.

You will experience a mix of diverse people who have different interests and backgrounds.
